

SECRET

25X1

Deputy Director, Plans
Attention: Mr. Hulick
Assistant Director, OCD

28 November 1951

Foreign Travel, Microfilm Team

1. The second (and final) echelon of the OCD Microfilm Team has been recruited, cleared, trained and equipped. It will be ready in the near future to report for duty [redacted]

2. It is expected that the following personnel will be able to depart for [redacted] on or about 10 December, 1951:

[redacted]

3. The above personnel will be instructed, as were those who went over in August, to make absolutely no contact with covert personnel overseas unless directed to do so, in the field, by [redacted] or other competent authority.

4. Travel orders for the above will be sent to the "Central Processing Branch" in "I" Building.

5. This information is submitted in accordance with standing instructions that the Deputy Director, Plans, be notified in advance of all contemplated overseas travel by personnel of the overt offices.
